Sharing Memories ...

And telling the story

Of a special life

Saying Goodbye

It's never easy, but saying goodbye is an important, natural and healthy part of the grieving process. Our caring staff can help you decide the most appropriate way of honoring your loved one, from a more traditional public ceremony joined by family and friends, to a private, meaningful time spent with just your immediate family. Regardless of how you choose to say goodbye, our professional staff is always ready to serve.

Sharing the story

A caring parent, a lifelong companion, a close family member – every life tells a story. Our staff will help you share that story in a unique and appropriate way. We believe in honoring the life of the individual by recognizing how they touched the lives of others. This is a story that we all have to share.

General Price List

These prices are effective as of January 1, 2020

Payment for goods and services is expected prior to the services rendered, unless other arrangements have been made prior to need. For your convenience, we accept cash, check, credit card (Visa, MasterCard or American Express), a verifiable irrevocable insurance assignment, or financing through a financial institution.

The goods and services shown on the General Price List are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

How to Use This Price List

We are dedicated to providing the best services at the most reasonable cost. The cost of a funeral is comprised of many individual charges and is determined by the choices a family makes.

Our services are divided into six main categories:

- Professional Services
- Other Care of Deceased
- Use of Facilities
- Automotive Equipment
- Merchandise
- Other Supplemental Services

We offer package prices which cost less than itemized goods and services when individually selected. No matter what your funeral preference, your funeral director can help you with every aspect of the funeral process. If you want to design your own type of service, you may start with Professional Services (our Basic Services fee is mandatory, but everything else is your choice), then add what you would like from Other Care of Deceased, Facilities, Equipment, Other Supplemental Services. Please ask your funeral director if there is something else you would like to see. We'll do our very best to accommodate you.

It's Time to Say Goodbye

It's time to say goodbye
to a dear and trusted friend,
the words I want to say
are held captive in my pen.

My eyes are fogged and weeping
My heart cries out in pain
I know just what I want to say
And yet this thought remains.

Why didn't I embrace him
and really let him know
how much his life meant to me
and that I loved him so.

But "no," we don't talk like that
although we really should,
but Lord if he could be here now
I know I really would.
